

125th
ANNIVERSARY

White and
Williams LLP

Digital Health Workshop

University of Pennsylvania
3.19.15

White and Williams proudly sponsors the Greater Philadelphia Alliance for Capital & Technologies' (PACT) 2015 Digital Health Workshop. Industry experts gather to discuss the most relevant and important topics related to Digital Health.

Thursday, March 19, 2015

12:00 PM - 5:00 PM

The Smilow Center | University of Pennsylvania | 3400 Civic Center Blvd | Philadelphia, PA 19104

Topics include an overview of healthcare, data and regulatory essentials, population health concepts and trends in digital health.

Speakers include:

- Bari Krein, Chief Strategy Officer, Legal & Compliance, StartUp Health
- Bob Stanek, CEO, Dabo Health
- Charlene Underwood, Senior Director, Government & Industry Affairs, Siemens Medical Solutions

The event features a keynote speaker and break out sessions followed by a cocktail reception.
