Heidi Sorvino, Managing Partner, New York City has been named as one of the 2023 Leading Bankruptcy and Financial Restructuring lawyers in the United States by *Lawdragon*.

To be named among the Top 500 attorneys in this practice area, lawyers are vetted through a combination of research and submissions by peer attorneys, competitors and firms. Candidates are vetted with their colleagues to confirm that they are, "respected, if not beloved, by clients and other counsel. And, "among their signature traits is the ability to be calm, deliberate and creative while it feels worlds crash around them. They find the through line to the future. A good lesson in uncertain times."
